You Count! Be Counted!

Filling out the census is quick and easy.

The 2020 Census has only 9 questions:

1. How many people live in your home?
2. Is someone else living in your home?
3. Is this a house or apartment?
4. What is your phone number?
5. What is your name?
6. What is your sex?
7. What is your age?
8. Are you Hispanic/Latino?
9. What is your race?

You will not be asked if you are a U.S. citizen.

Everyone counts in the valley.

Every person in the U.S., both citizens and non-citizens, is required by law to fill out the 2020 Census form, which you can do using a mailed-in form, the U.S. Census webpage, or phoning the Census Bureau.
