Public Comment

No Members of the public present

Approval of Meeting Minutes

MOTION: *To approve the summary minutes from November 19, 2019 NVCOG TTAC meeting.*

Motion made by Glenn Clark; Seconded by Leonard Assard

VOTE: By unanimous vote, motion passes

Household Hazardous Waste

The tentative date for the next Household Hazardous Waste Collection is scheduled for July 18, 2020 at Crosby High School Waterbury. Examples of safety requirements that would be incorporated include: the driver does not leave their vehicle, they show their license through the window, all materials would be collected from the back trunk. Feedback from the committee was generally in support of going forward with the collection given the restricted physical distancing. The vendor will have experiences with these types of collections.

Please contact John DiCarlo for further details.

Emergency Response to CoVid

Local Long Term Recovery Committees and Local Coordinators in response to the CoVid disaster. The committees are being established to help form partnerships to identify needs. The CoVid disaster is unique in its effects to the economy, health and social services. The process will use DEMHS regions to address the needs at the local and regional levels.

Local: Each municipality shall appoint a recovery coordinator to form a long term recovery committee.

Region and State: Long term recovery steering committee comprising non-profit and philanthropic representatives.

Local coordinators will meet as a group and identify areas where needs exist. These needs would be raised to the regions. If the needs cannot be met by the region they will be forwarded onto the State.

Please contact Joanna Rogalski for further details.

Transportation Planning

Christian Meyer discussed the status of the forthcoming CNVMPO 2021-2024 transportation improvement program.

Christian Meyer discussed several platforms available to track vehicle volume and vehicle miles traveled across the region.

Christian Meyer discussed the current status of the LOTCIP in the NVCOG.

Committee Roundtable

TTAC members discussed how their communities have responded to the CoVid health crisis.

Adjournment

MOTION: *To adjourn*

Motion made by Glenn Clark; Seconded by James Stewart

VOTE: By unanimous vote, motion passes

Next Scheduled Meeting July 28, 2020
