

**NVCOG Regional Hazard Mitigation Plan
Agenda**

Presentation and Workshop About Mitigation Strategies and Actions

February 3, 2021

9:00 AM to 10:15 AM

NVCOG and its consultant, Milone & MacBroom, Inc. will conduct a 1.25-hour presentation and workshop to provide a brief update on the planning process and discuss potential hazard mitigation strategies and actions for the region and its municipalities.

- Required Attendance: Local Coordinators or their designee
- Optional Attendance: Additional members of local planning teams such as public works, engineering, planning, building, and emergency management
