NAUGATUCK VALLEY COUNCIL OF GOVERNMENTS

**ENGINEERING SERVICES FOR RELOCATION OF THREE SEWER SIPHONS AND SEWER LINES ASSOCIATED
WITH THE REMOVAL OF KINNEYTOWN DAM**

REQUEST FOR QUALIFICATIONS

ADDENDUM No. 2

Issued July 20, 2023

Comment/Question 1

If chosen, will the consulting/engineering firm have the opportunity to negotiate contract terms so that they are amenable for both sides?

Response 1

The scope and fee will be negotiated with the selected firm, but due to the federal source of funds, much of the contract language is non-negotiable. Contract requirements in NVCOG's federal award contract must be reflected in all subcontracts.
