

PUBLIC MEETING

BUS SHELTER
REPLACEMENT PROJECT

Presentation by
SLR Consulting

Join Us

Let's discuss bus stop enhancements in Seymour, Ansonia, and Derby.

The Naugatuck Valley Council of Governments (NVCOG) and the Valley Transit District (VTD) are working with a team to design and build bus shelters to address the current lack of accommodations. This project aims to improve public transit facilities in lower valley municipalities.

Your input is valuable!

Be part of the decision-making process to enhance public transit accessibility and comfort for all.

August 8, 2023, 5:30 PM

Ansonia Senior Center 65 Main Street, Ansonia, CT
