Good Morning,

If we haven't met yet, I'm Kamora Herrington and I'm working with CRCOG as an equity coach for those of you working on the **Regional Climate Action Plan**.

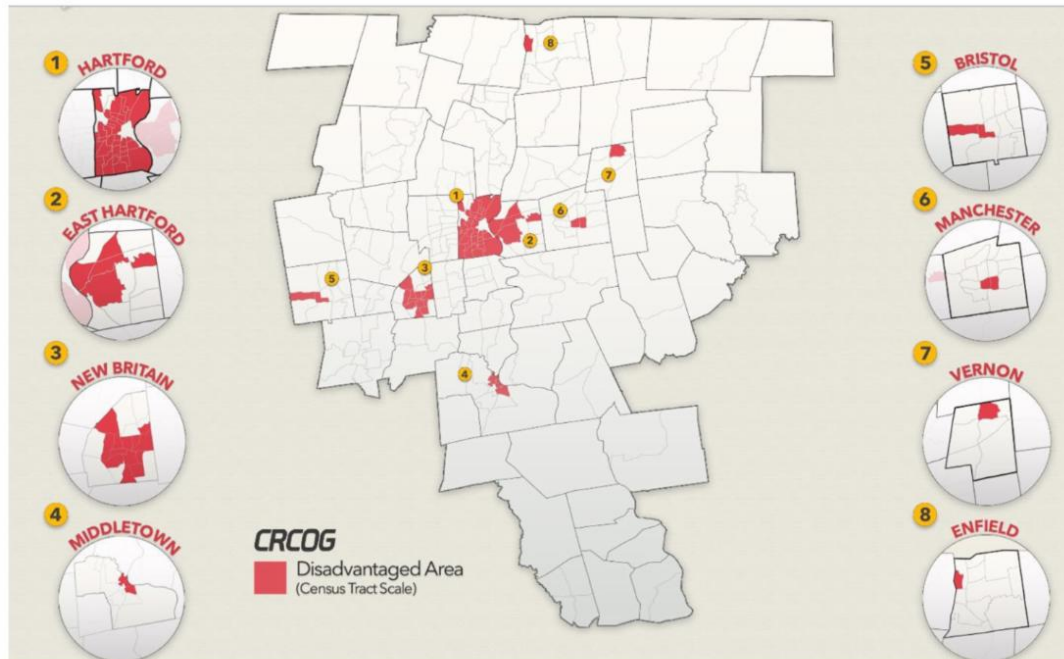

Over the last month I've spoken to representatives from each of the 8 towns represented below as well as community stakeholders to get an idea of what community engagement and collaborations are already happening as well as areas that could use some support. I've enjoyed each of our conversations and have learned from the stories that you've shared.

An important aspect of this work is collaborative and as I've been meeting with various town representatives I've been looking forward to bringing you together so that we can share ideas around outreach and community engagement as well as discuss some of the barriers that get in the way.

On Thursday morning (12.7.23) at 10:00AM I will be hosting a ZOOM meeting for the communities identified in the Hartford MSA as "Low Income/Disadvantaged and hope that you can join us.

If you can't make it, please contact me [HERE](#) for follow-up and if there are other stakeholders or employees who you think should add to our conversation, please connect us so that they can be included.

I look forward to meeting with you on Thursday morning.
