**RE:    Registration #APA10-19**  
         [Facility Name] at [Facility Address]  
         **Aquifer Protection Area Registration Certificate**

Dear [Facility Name]:

Please find enclosed a Certificate of Registration for the regulated activities being conducted at your facility located at [Facility Address] within Norwalk's Aquifer Protection Area.

This certificate acknowledges that your registration application has been processed and accepted by the APA Agency. An APA Registration, #APA10-19, has been issued to you. When corresponding with our office regarding your registration, please use this "Registration Number". This number is unique to your activity and the location of the facility.

Please review the following general provisions carefully. The expiration date noted on the registration certificate is the expiration date for this registration. The following general provisions apply to the issuance of this and all registrations:

- (1) the Agency has relied in whole or in part on information provided by the registrant and if such information subsequently proves to be false, deceptive, incomplete or inaccurate, the registration may be modified, suspended or revoked;
- (2) all registrations issued by the Agency are subject to and do not derogate any present or future rights or powers of the Commissioner, Agency, or municipality, and convey no rights in real estate or material nor any exclusive privileges, and are further subject to any and all public and private rights and to any federal, state, and municipal laws or regulations pertinent to the subject land or activity;
- (3) a complete registration shall expire five (5) years from the date of receipt of such registration by the Agency;
- (4) the registrant shall apply to the Agency to renew the registration on a form prescribed by the Agency for a facility prior to expiration of such registration; and
- (5) If a registered regulated activity is out of business or inactive when registration renewal is required, a five (5) year allowance shall be in effect from the date the registration expires. If the registrant has not applied to renew the registration **within five (5) years** of the date the registration expires, the facility is no longer eligible for registration.

125 EAST AVENUE | P.O. BOX 5125 | NORWALK, CT 06856-5125 | TELEPHONE 203-854-7744

The Certificate of Registration is also a way for our inspection staff to know that you have the appropriate activities registered for your facility. Please maintain a copy of the Certificate on-site at your facility.

If you have any questions regarding this registration or the aquifer protection area program, please feel free to call me at 203-854-7744. Thank you again for your cooperation in protecting our valuable drinking water resources in the City of Norwalk.

Sincerely,

Alexis Cherichetti
